

Attendance Management and Engagement Policy

1 Introduction

Annex A: Key Data Sets and Interventions

Data Set	Process	When	Intervention/Outcome
Enrolment & re-enrolment data	Automated process of reminders to enrol and re-enrol. Manual intervention via Support Centre 788441 MCID 7L		

Blackboard login data may

			particularly any missed summative assignments. Additional signposting to University support services such as Counselling & Wellbeing, Welfare, Student Financial Support, and International Advisory may also form part of this discussion as appropriate to the student's situation. Coursework submissions data may subsequently be used throughout the term as one of the data sets supporting Academic Engagement and Fitness to Practice processes. Coursework submissions data is used as evidence of attendance & engagement for the purposes of Home Office Compliance requirements for students holding a Tier 4/Student Route visa.
